Welcome to High Bridge Trail State Park, a 33.8 mile long trail through the counties of Cumberland, Nottoway, and Prince Edward and the towns of Burkeville, Farmville, Pamplin City, Prospect and Rice.

The park is a multi-use trail ideal for hiking, bicycling and horseback riding.

As its name suggests, High Bridge Trail State Park is home to the majestic High Bridge. Over 2,400 feet long and 160 feet above the Appomattox River, High Bridge was built in 1853 as part of the South Side Railroad.

To make your visit safer and more pleasant, we ask you to observe trail etiquette guidelines, as well as the following regulations:

-  Pets are permitted in all state parks but must be kept on a leash.
-  Motorized vehicles are not allowed on the park's trail areas (emergency and patrol vehicles only).
-  Hunting is prohibited.
-  The public use or display of alcoholic beverages is prohibited.
-  Please do not trespass on adjacent private land without permission from the landowner. Trespassers are subject to prosecution.
-  High Bridge Trail is a receptacle-free park. Park guests are asked to carry out all trash and leftover food.

Trail Etiquette

High Bridge Trail is a multi-use park designed for hiking, bicycling and horseback riding. Proper trail etiquette is of utmost important. Proper trail etiquette includes:

- Riding right and passing left.
- Using vocal signals when passing.
- Maintaining a safe and courteous speed.
- Be courteous and respect other visitors and protect the quality of their experience.

Trail Courtesy

Leave What You Find

- Preserve the past: examine, but do not touch, cultural or historic structures and artifacts.
- Leave rocks, plants and other natural objects as you find them.
- Avoid introduction or transporting non-native species.

Respect Wildlife

- Observe wildlife from a distance. Do not follow or approach them.
- Never feed animals. Feeding wildlife damages their health, alters natural behaviors, and exposes them to predators and other dangers.
